If you are in the gym and Mohigan Radio is broadcasting, you can listen on 98.5. At away games, the station will be 98.5 most of the time. Check with Coach

Hoffman or Swift Shaver for the frequency. It may change if another station is broadcasting at the same frequency. A DVD recording of all Varsity games can be ordered for a small donation. The cost of doing the season is about \$300, so we need to defray the cost with a donation.

Most DVD's will have play by play them. See Coach Hoffman for more information.
